Growing Healthy Churches and Pastors

We're off to a great start this year with our "Growing Healthy Pastors" groups in each of the four church cluster areas. There are a total of 24 pastors involved in this new initiative of Growing Healthy Churches. These ecumenical pastor groups meet monthly for study, prayer, case study presentations, and strategic planning. We are looking forward to hearing from Dr. Diana Butler Bass, author of the best selling *Christianity for the Rest of Us*, this coming Saturday, April 17th. We are pleased to see that 8 of our 26 churches increased in average worship attendance in 2009 compared to 2008, ranging from 2% growth at Covenant Presbyterian to 50% growth at San Pablo! In this first quarter of 2010, 4 of our original 8 Growing Healthy Churches are maintaining or showing increases over 2009 worship averages: 10%-32%. We ask for your continued prayers for the churches without permanent pastoral services: Alamosa; Antonito; Del Norte; La Jara; Monument; and Trinidad. We have been invited to present our GHC Project to Wyoming Presbytery at their meeting May 7-8. Thank you, bold presbyters, for your faithful prayers and financial support of our presbytery's primary mission!

Peace & Joy,
Gary Weaver

News from the Stated Clerk Elder Pricilla Hill

GREAT JOB to all our **Clerks of Session** for completing the General Assembly Annual Statistical Report. ALL 26 of our churches responded. Current membership of our churches is 7,485.

Just a reminder to clerks of session: Please send a copy of your church by-laws and proof of insurance to me. I would like to have current information for church files in the presbytery office.

Sexual Misconduct training materials: Please be sure to sign the **Acknowledgement Form** and return to me. Well Done to Rocky Ford and Monte Vista – their sessions watched the entire DVD! I sincerely encourage pastors to share this DVD with staff and session. Tracks 1, 2, 3 and 7 will be especially helpful to your session. We have plenty of extra packets of the Trainee Workbooks and Volunteer Screening Forms. Don't forget to share the DVD with your CLP's, as they are required to view as well. Vacation Bible School is coming up, so incorporate this training with preparing your volunteers to teach.

Our next presbytery meeting will be on Wednesday, July 14th at Mountain View. Ministers, thank you for notifying us if you will be absent.
